REAL ESTATE BROKERAGE LAUNCH

Poised to Deliver Best Possible Client Experience

Roseville, CA--September 26, 2013

Mark Haney and Ashley Garcia are partnering to launch Haney Garcia Realty Group, a full service residential real estate brokerage firm. The company will assist buyers and sellers in navigating the ever changing, increasingly complicated, and often emotional process of real estate transactions.

A Celebration of the Haney Garcia Realty Group's launch will be held at their offices at 4465 Granite Drive #520, Rocklin. The event will run from 4 pm – 7 pm and will provide an opportunity to learn more about the team, their services and celebrate!

"Our strategy is simple" said Haney. "We will deliver the best possible client experience". Garcia will act as Managing Broker and will continue to serve clients directly. Over the past two years, Garcia built an impressive track record overseeing the purchase, renovation and resale of over 15 million dollars in local residences. She simultaneously managed an assortment of residential and commercial properties. Now at Haney Garcia Realty Group, she has begun aligning with other select agents and staff to build a rock solid and uniquely qualified team. Haney Garcia Realty Group will continue expanding its operations and invites Real Estate Agents in the region to attend the launch party on October 3 and learn more about joining the organization.

"Placer County is a great place to live, work, and raise a family" said Garcia. "Our team is rooted in this community, and is centered on the philosophy that relationships should last a lifetime".

About Haney Garcia Realty Group: Haney Garcia is a member of the California Bureau of Realtors (BRE #01937609), Roseville Chamber of Commerce, and is an Allegiant Giving Partner, a charitable business group dedicated to helping our local community. (www.HaneyGarcia.com)
